Detailed description of project						Type of services provided		
<p>Oikos has developed a specific and long lasting product supporting municipalities, regions, business, state public utilities and associations in the development of projects to be financed from Phare, Interreg, European regional development fund, European social fund and Cohesion fund together with other financing instruments like LIFE and so on.</p> <p>Clients are supported a long time before the tender is due with the development of project pipelines and project ideas in order to understand their strategies and objectives of each project. Later when the decision is made by the applicant, (pre) feasibility and investment plans are done in order to understand the possibilities and relevance of projects. The sustainability for space, environment, social and economic factors is tested and later elaborated for further decision-making.</p> <p>This is the base for the development of the application which is later monitored and in the case of a successful result, contracted. Projects range from some 100.000 € up to several millions of €.</p> <p>Some selected clients: Občina Ruše, Obrtna zbornica Šmarje pri Jelšah, Mestna Občina Maribor Združenje zgodovinskih mest,, Agencija RS za okolje, Občina Kočevje, Občina Majšperk, Fit invest d.o.o.,Kranjska investicijska družba d.o.o., Gostilna in plesni klub Jože Pečarič, s.p., Osnovna šola Podbočje, Območna obrtna zbornica Šmarje pri Jelšah, Univerza v Mariboru, fakulteta za kmetijstvo, EKOOIL, družba za napredne tehnologije, proizvodnjo, trgovino in storitve d.o.o., Krka zdravilišča d.o.o., Melamin, Grad Mali Lošinj, Krka Zdravilišča d.o.o., Terme Snovik d.o.o., Hotel Delfin, Hotel Sava, M Hotel, Hotel Jelovica, Hotel Grand turist, Hot ten d.o.o., Općina Baška, Općina Kamanje, Općina Žakanje, Općina Medulin, Municipality of Beltinci, Municipality of Velika Polana, Municipality of Črnomelj, City of Ljubljana, Municipality of Tolmin, Municipality of Škofljica,</p>						<ul style="list-style-type: none"> <li>• Project design and partner search</li> <li>• Investment and feasibility study with preparation of Document of identification of investment project, Investment programme</li> <li>• Preparation of balance sheet, income statement, cashflow statement</li> <li>• Calculation of financial indicators, financial gap</li> <li>• Preparation of an overall Cost Benefit Analysis;</li> <li>• Support in engineering and the permit process</li> <li>• Project application form development</li> <li>• Contracting</li> <li>• Monitoring and reporting</li> </ul>
